INTERNSHIPS

React.js Developer

Radical Studio

I worked with Radical Studio team on projects on React.js.

Full Stack Developer Intern And Backend-Node.js

Moodcafe

10/09/2018-10/02/2019

Moodcafe started by Alumni of IIM and IIT Roorkee focuses on the problems related to mental health and provides counselling online through experts.

I as an intern had to work on both the frontend and backend of the application and implement new functionalities which will provide a better user experience. Developing new APIs and performing performance and load testing of it.

Tools and Technologies :- Node.js, APIs, HTML, CSS, Bootstrap, JavaScript, Python, Flask, MySQL, JQuery

Student Ambassador

Internshala

24/03/2018-31/08/2018

I as an ISP have to conduct seminars and inform people about the benefits of doing Internships.

SKILLS

Web Development	Data Structures
JavaScript	C++
Python	Java
JavaScript	Algorithms
React.js	App Development
